

Dear Juliette,

This year is Quebec cities 400th birthday! In 1608, Samuel de Champlain started a settlement at Kébec, an Algonquin word that means, "Where the river narrows". This would become the first French speaking settlement in North America. Idea Incentives has put together some gifts which are evocative of this special occasion. Check out our new website or call us at **1877 454 4332** for more products.
